ELECTION

Sir:

This is in response to the United States Patent and Trademark Office Action mailed September 7, 2010, which response is being made on or before November 7, 2010, and for which a one month extension of time fee is due and paid for herewith.

Applicant elects the Group III invention comprising claims 96 – 102, drawn to a method of identifying a graphical symbol in an image.

With respect to the first species election, applicant elects the species of Fig. 1. All claims 96 – 102 are generic to the embodiment of Fig. 1.

With respect to the second species election, applicant elects the first species, namely a linear motion X axis mounted on a frame.
